## PROPERTY OWNERS ASSOCIATION

### MEMBERSHIP BENEFITS

The Lake Lida Property Owners Association (LLPOA) has been an enormous force in protecting and enhancing the quality of the lake, the fishery, and the landmass surrounding the lake. To give you an idea of the importance of membership and the dues that support the Association, the following are projects currently under development. For a complete list of what has been accomplished over the past 20 years go to the website: <http://poa.lakelida.com>

- ✚ Grants are currently being offered to members for shoreline projects improving water quality.
- ✚ LLPOA lake directory has been published and presented free to members of the Association. 2017 Directory currently in production.
- ✚ Shoreline stabilization has been initiated and in part funded to eliminate erosion on a number of Lida properties, including the major project completed on the North Clay Bank area.
- ✚ Water quality monitoring has been maintained by LLPOA volunteers each summer with samples taken monthly from May-September. Sample testing has been paid for by LLPOA.
- ✚ The Association developed the official Lake Lida Management Plan in 2003, paid for by a grant from Minnesota Waters and matched by LLPOA dues. Plan was recently updated, copy posted on the website.
- ✚ Hosting a Lake Lida Healthy Lakes Community Meeting June 10, 2016 5:30 pm Lida Greens to help identify priority focus areas to improve the water quality and health of the Lake Lida community.
- ✚ Assisting with and supporting 4<sup>th</sup> of July band on the lake- July 4, 3 pm to 8 pm in the water along the shores of Matson Point. Free will offering.
- ✚ Movie night! Outdoor movie at Lake Lida Township building- Saturday, August 13. Family movie, starts just before dusk, approximately 9 pm. Bring your own lawn chair, blankets and bug spray. We will spray for bugs earlier in the day. Popcorn will be provided.

**For just \$25.00 annually, LLPOA encourages you to be a member of the Association and do your part to continue to improve and maintain the excellent environment on and around Lake Lida.**
